

Public Information Subcommittee Report

January, 2019

Denise T., Chair

I. Service Works

Two addicts from SFV PI attended the Service Works day in Monrovia last weekend. SFV members gave a presentation about how PI can present NA's position on DRT/MAT to doctors and law enforcement.

II. Public Information Literature Project

PI member Kenny J. stepped up to lead our Literature Project, with the goal of placing our IPs in clinics, rehab facilities and law enforcement venues. Please announce to your meetings that PI would like to know of any facilities that might put up our literature.

III. PR Handbood Readings

Our Chair announced that we will be devoting a portion of our PI subcommittee meetings to reading from the PR Handbook so we can better carry out our service in Public Information.

IV. New Member Orientation

Our subcommittee meets at noon the first Sunday of the month. For anyone interested in working with Public Information, we hold a New Member Orientation 15 minutes prior to each subcommittee meeting.
