

# Public Information Subcommittee Report

February, 2019

Denise T., Chair

## I. Hollywood High School Presentation

Last month we did our first school presentation in collaboration with the West End and Greater Hollywood areas. Six addicts spoke for about 30 minutes to the Health Council at Hollywood High School. It went so well that the principal invited us back to make two more presentations: one to the full faculty and one to the entire 10<sup>th</sup> and 11<sup>th</sup> grade classes.

We have room for more, and in particular, *younger addicts that high school students identify with!* If you would like to help make presentations about NA to members of the public, please see our Chair Denise T. or come to our next subcommittee meeting!

## II. Public Information Literature Project

Our literature project is going strong. We have contacted treatment centers, law enforcement offices and medical facilities to place our literature, with an enthusiastic response. In the next week or so, we'll be placing NA literature in 10-15 locations in the San Fernando Valley. If your groups would be willing to drop off literature at facilities in your neighborhoods, please let us know! With your help we can reach a lot more places than we can alone.

## III. Next Meeting & New Member Orientation

Our subcommittee meets at noon the first Sunday of the month. **The next meeting is at noon on Sunday, March 3, 2019.** For anyone interested in working with Public Information, we hold a New Member Orientation 15 minutes prior to each subcommittee meeting.

Our meeting location is rotating, so to be sure where it is, please contact Chair Denise T. at **(818) 635-0445** or call SFV PI at **(818) 997-3822 x810**.
