***** Meeting Information *****

GSRs: You are the most important people in this room.

Please email website@nasfv.com and SFV Phonelines – or post to Google Group – any adjustments to your group’s meeting information. We update online ‘BMLT’ database (Basic Meeting Locator Toolbox, SoCal Region) quickly.

SoCal data shared with NAWs every two weeks. **Thanks for regularly checking online/printed information.**

Any questions about meeting updates?

Our printed **Meeting Directory** for **February-March-April 2019** is available today and it’s **pink**.

We print every two months. Please recycle old directories here.

Online print version (download PDF at bottom of Meeting Directory page) is updated often. New online version generated from BMLT still a work in progress – see ‘Bread Meeting List’ at the bottom of the Meeting Directory page.
