

Public Information Subcommittee Report

March, 2019

Denise T., Chair

I. Public Information Literature Project

We continue to contact treatment centers, law enforcement offices and medical facilities to place our literature. We will be picking up additional IPs and including this project as a line item in our next budget.

II. Scheduling Additional Presentations at Hollywood High

We have been invited back to Hollywood High School to do two additional presentations: one to the full faculty and one to the junior and senior classes. We hope to schedule these presentations before the end of the school year.

III. School Library Project with Greater Hollywood Area

We are collaborating with the Greater Hollywood PR committee to send IPs and Basic Texts to school librarians and principals.

IV. Phone Lines Calls

To simulate the experience of addicts who see our posters and literature, we randomly contacted various area and regional phone line numbers, with varying degrees of success. We will follow up with the relevant phone lines committees to advise of our experiences.

V. Next Meeting & New Member Orientation

Our subcommittee meets after the Regional PI meeting the first Saturday of the month. **The next meeting is at 3:30 pm on Saturday, April 6, 2019.** For anyone interested in working with Public Information, we hold a New Member Orientation 15 minutes prior to each subcommittee meeting.

Our meeting location is rotating, so to be sure where it is, please contact Chair Denise T. at **(818) 635-0445** or call SFV PI at **(818) 997-3822 x810**.
