

REGIONAL DELEGATE REPORT: Christine B.S.

- **SCRNA Procedure for Submitting CAR Motions:**
- **October Financials:** Still half the staff is furloughed, and expenses continue to outweigh income. NAWS will apply for Paycheck Protection credit because accepting credits and discounts based on social security wages already paid is not seen as a 7th Tradition violation. Information about the PPP loan is communicated in NAWS News at www.na.org
- **Contributions to NAWS:** Relying on literature sales is not sustainable. NAWS is working to change the culture on contributing to NAWS at www.na.org/contribute. Suggested to contribute the amount of clean time that you have every month.
- **Lawsuit and FIPT:** Autonomous Region filed an appeal to the judge's decision to dismiss. The costs are half of what we would normally spend for in-person WSC or 10 translation teams and is an attempt to undermine decision making processes. There is no insurance from being sued by anyone. NAWS has not filed a countersuit at this time.
- **Changes are made to FIPT:** See www.na.org/fipt
- **New Bulletins:** www.na.org/bullwtins Bulletin #35 NA Copyrights and Literature; Bulletin #34 Group Conscience and NA Literature
- **Other Updates:** Almost 80 Translated titles! 12 book-length pieces and 16 information pamphlets. We have literature in 56 languages and we have the Basic text in 36 languages.
- Virtual SCRAW is scheduled for February 13, 2021
- Still no decision on WCNA 38 in Melbourne Australia...however they are waiting until the end of 2020 to make that decision.

BOD Report: Dave N:

- Service Office is still open for business, but not for physical meetings.
- All orders need to be placed ahead of time to minimize personal contact and all orders over \$750 need to be placed in advance 3 business days before pick-up.
- **Open positions on BOD,** Secretary, Alt Treasurer and Asst. Office Manager

- The BOD is looking for members to join the Board who have experience in Accounting Principles, Information Technology and E-Commerce. The clean time required is 5 years
